HB6656

My name is Joseph Boniface, I live in East Granby. I fully Oppose bill HB6656. This bill is trying to remove a state and federal right from people who are poor and middle-class. If you only want wealthy people to own firearms, like Nancy Lanza, then that is the bill for you. I am a Democrat, and I am fend up with my party trying to increase the fees and "taxes" on my fundamental right to protect myself. This is also completely prejudice of collectors.

Sincerely, Joseph Boniface
